

Beach Schools NI

The story so far

Founder

Maggie Finlay is a former Head of Geography and in 2018 she founded Northern Ireland's first beach School Programme 'Beach schools NI'.

School & Family sessions

In Year 1 we have worked with 40 schools and hundreds of families to bring children outside the classroom to learn on the shoreline.

What we offer for schools

Single or Multiple Beach sessions

Bespoke sessions that link to your class work and build on previous knowledge

CPD training

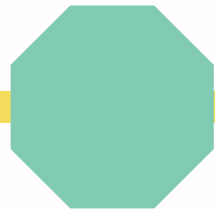

Helping staff to utilise their local shoreline with pupils.

Beach themed sensory sessions

Delivered in school using natural beach materials

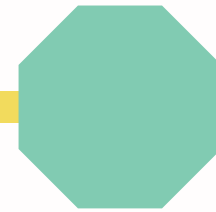

Broaden your school's outdoor experience

Explore the shore

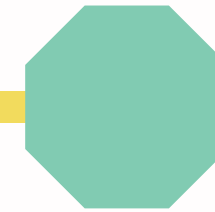

Themes

Pirates, natural disasters, adaptation, food chains, the seashore.

Curricular areas

Explore literacy, numeracy, art, music, science and PE using natural beach materials.

Eco schools

Gain evidence for your Green flag portfolio as part of the new 'Marine' topic.
