

## *Happy Christmas*

Keeping the December edition of NIFSA News short.

It has been a fantastic year for NIFSA in 2017. I would like to thank everybody that has been involved in making 2017 such a success.

Next year will see the development of a reporting function that will generate Eco-Schools Reports automatically. Learning about Forests (LEAF) will go live and give International recognition for all your Forest School activity. We will also start a series of Spring training/networking events in your Council area. Another exciting year ahead.

I would like to wish everybody a very Happy Christmas and see you all in 2018.

Best wishes

Brian Poots
