Miss Selby takes the Forest School session today
Miss Selby chose the pupils to put out the boundaries
Miss Selby goes through the rules and safety points for Forest School.
Miss Selby explains the challenge today – to build an Oompa Loompa house
Boys decide where to build the Oompa Loompa house
All the groups choose different spots to build on
Hugo and team using all their knowledge learnt from Forest School
Making mud to “cement” the materials together
Lots of great ideas coming out – brilliant team work
We listen to how everybody built their Oompa Loompa house. Chance to ask questions.
Time for a warm “bapple” juice after all that work
DID WE ENJOY IT?

Happy faces – well done Miss Selby – great activity
